Keystone Communcations offers KEYTV Video service to our Keystone, Garrison and Elberon customers, both residential and rural. Installation is \$35.00, which will give our customer 2 streams (TV sets) of video for a monthly fee. Additional TVs may be connected, and will have additional install fees and monthly charges. You may subscribe to either the Lifeline Package for \$49.06 a month, or the Basic Package for \$93.06 a month. We have several DVR service and movie package options, all for additional monthly fees. We require the installation and 1 month of service PAID IN ADVANCE. If you want KEYTV Video, you MUST also subscribe to either Landline Telephone Service or the Stand-Alone (CBOL) Internet Service. Please look at the channel lineup to see which packages and options you are interested in purchasing.
