

Keystone Communcations offers cable television to our Keystone, Garrison and Elberon customers, both residential and rural. **Installation is \$35.00, which will give our customer 2 streams (TV sets) of video for a monthly fee.** Additional TVs may be connected, and will have additional install fees and monthly charges. You may subscribe to either the **Lifeline Package for \$51.25 a month, or the Basic Package for \$95.25 a month.** We have several DVR service and movie package options, all for additional monthly fees. **We require the installation and 1 month of service PAID IN ADVANCE. If you want cable television, you MUST also subscribe to either Landline Telephone Service or the Stand-Alone (CBOL) Internet Service.** Please look at the channel lineup to see which packages and options you are interested in purchasing.
